

Qumi Q2-Lite

Bright and Lightweight HD and 3D Ready Pocket Projector

The Qumi Q2-Lite, Vivitek's innovative LED pocket projector, just got simpler. Still weighing in at 490 grams and having a brightness level up to 300 ANSI lumens, the Q2-Lite has multiple connectivity options allowing it to be used with a variety of devices. The Q2-Lite is 3D-ready via DLP® Link™ and features a DLP Pico chipset and BrilliantColor™ technologies from Texas Instruments. With the combination of versatility, portability and a sleek design, the Vivitek Q2-Lite is perfect for sharing digital content at work and play.

Product Features
