FOR WORK

A PORTABLE PROJECTOR TO WORK WITH

Business trips, presentations, or brainstorming - it's always more efficient with Qumi! Share your content with your colleagues and move it freely from one huddle room to another. Qumi will always fit in your briefcase and stay handy. A budget friendly solution that amazes with a 215-cm-wide screen. Big capabilities in a tiny body - a PC Free Reader for slideshows and video playback - make Qumi a great partner.

FOR WORK

QUMI Q8

For the best image quality presentations

Share your thoughts and let them resonate with a premium resolution of 1080p and 2 million pixels for every detail.

QUMI Q6

For any meeting on the go

Grab this 475-gram quality choice and go! Make your presentation just as light as Qumi.

QUMI Z1H

For fast screen sharing

Crystal clear sound and a super-sized Android screen and mirroring.

QUMI Z1V

For business meeting outside your office

All-in-one projector and speakers for business trips and meetings outside the office.

AMBIANCE EFFECT WITH PROJECTOR MAPPING

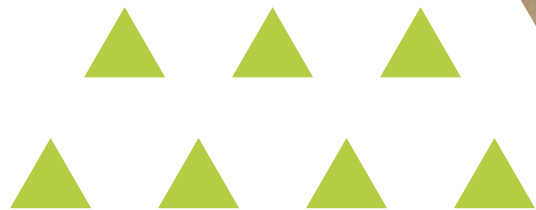

A pocket-size solution to create a lighting ambiance effect with projection mapping - you can easily display visualizations on objects, floors, rooms, facades or anywhere you wish to deliver your idea. Use Qumi as digital signage, decoration or a piece of art at the gallery.

Boost the atmosphere and create a splendid experience. This long-lasting LED light source projector features seamless integration with any installation thanks to its small size and a 360-degree installation angle with a tripod stand support. Map your space and make it exceptional.
